# MISSION STATEMENT

The Trump Coin ecosystem aims to provide an engaging experience for like minded individuals who are excited about the future of our great nation and the XRP Ledger.

Welcome to the Trump Coin community, where we unite under the principles of economic innovation and our shared admiration for the 45th President of the United States, Donald J. Trump.

Trump Coin is a living tribute to the principles of Trumpism, intricately connected to our shared support for President Trump as he embarks on his 2024 presidential campaign and beyond. This token isn't a financial endeavor; it's a powerful symbol of economic resilience and a grassroots movement dedicated to supporting Trump's vision for a prosperous America. Built on the XRP Ledger, Trump Coin pioneers a new era of decentralized tokenization, aligning with President Trump's commitment to cutting-edge solutions.

Core Thesis:

At the heart of the Trump Coin community lies an unwavering commitment to the principles that defined the Trump era – economic dynamism, individual empowerment, and resolute support for our leader. Trump Coin epitomizes these ideals by creating a decentralized realm that aligns seamlessly with President Trump's vision for a thriving America, leveraging the efficiency and innovation of the XRP Ledger.

Our guiding principles that drive our community, especially as we rally behind President Trump's 2024 presidential campaign are detailed on the following page.

# MISSION STATEMENT

## 1. Decentralization for Economic Sovereignty

Trump Coin harnesses the power of the XRPL, a blockchain renowned for its speed and efficiency, to establish a decentralized paradigm. In line with President Trump's vision for economic sovereignty, our offering ensures that individuals can control their cryptocurrency destinies swiftly and securely.

## 2. A Living Tribute to Trump's Economic Legacy and Vision

Trump Coin, built on the XRPL, serves as a living tribute to the economic brilliance of Donald J. Trump. Inspired by his commitment to prosperity and individual success, Trump Coin embodies the enduring spirit of Trumpism. It's not only a testament to the past but also a cutting-edge platform that actively supports President Trump in his current and future endeavors, including his 2024 campaign.

## 3. Community-Driven Excellence and Campaign Support:

The Trump Coin community becomes a collaborative force of innovation and support. We actively encourage members to contribute to the evolution of the Trump Coin ecosystem, utilizing the XRPL for fast and cost-effective transactions. Our roadmap outlines strategic initiatives, including airdrops of Trump Coin, to fortify our commitment to both the community and President Trump. Through community initiatives and digital advocacy, we aim to contribute to the success of Trump's vision for America. Let's make crypto great again!

## 4. Scarcity, Value, and Patriotism:

Trump Coin embraces economic principles while emphasizing patriotism. With a capped supply of 45Bn, we prevent inflationary pressures, providing a secure store of value. This scarcity underscores our commitment to the values of patriotism and national pride, aligning seamlessly with President Trump's vision for a strong and united America.

In the Trump Coin community, we celebrate not just a cryptocurrency but a living tribute to the economic vision and leadership of Donald J. Trump. Join us as we pioneer a decentralized future built on the efficiency of the XRPL network, actively supporting President Trump in his 2024 presidential campaign. Together, let's forge a path towards economic empowerment, innovation, and together let's make crypto great again!

# ROADMAP

Trump Coin's roadmap is intricately crafted with a paramount focus on transparency and active participation, all within the framework of fostering a community built around unwavering support for Donald J. Trump. The detailed plans for our key roadmap initiatives are outlined below.

## 1. **Token Issuance (February 2024):**

At the forefront of Trump Coin's roadmap lies the foundational step of establishing the issuance of our token, accompanied by the creation of community platforms such as Twitter, Telegram and Discord. With an unwavering commitment to transparency, and active participation, this initial stride sets the stage for fostering a resilient community deeply rooted in support for Donald J. Trump. The issuance of Trump Coin not only signifies the birth of a digital asset but also embodies our dedication to providing a secure and transparent medium for supporters to engage with our movement. Simultaneously, the establishment of community platforms serves as vital channels for communication, collaboration, and collective action, enabling supporters to connect, share ideas, and rally around common goals. Through these foundational elements, Trump Coin paves the way for a vibrant and inclusive community poised to uphold the principles and ideals championed by Donald J. Trump.

## 2. **Community Airdrop (July 2024):**

As we near the 2024 presidential election, Trump Coin has an exciting announcement for our community. Our roadmap now includes a significant airdrop event, through which we aim to distribute 60% of our total token supply to our valued community members via a public airdrop and staking airdrop rewards. This airdrop serves as both a token of gratitude for the community's steadfast support and a means to actively engage in the enthusiasm surrounding President Trump's campaign. (Continued on next page).

# ROADMAP

To be eligible for our airdrop, you will need to complete a few simple tasks on Zealy, such as following us on Twitter and joining us on Discord. As part of our airdrop initiative, we're excited to announce that the distribution will occur in five stages, each offering a progressively larger amount of Trump Coin tokens to our community members. Notably, the fifth airdrop is a staggering 81 times larger than the first, highlighting the significant increase in token distribution and underlining our commitment to rewarding community members.

This strategic approach not only enhances community involvement but also rewards continued loyalty and engagement. To qualify for each subsequent airdrop, participants must retain the tokens received in the previous stages until the completion of the fifth airdrop.

### **3. CoinGecko or Centralised Exchange Listings (June 2024)**

Acknowledging the significance of visibility and accessibility in the cryptocurrency ecosystem, Trump Coin is committed to establishing a prominent presence on various exchanges and esteemed platforms like CoinGecko. This strategic move aims to enhance liquidity and foster the growth of our community.

Securing a listing on CoinGecko and Centralised Exchanges serves as an initial milestone, bolstering Trump Coin's credibility, transparency, and outreach to a broader community base, thereby fortifying a resilient community united in support of Donald J. Trump's principles.

### **4. Yield/Staking Implementation (Monthly from August 2024)**

Trump Coin will implement a monthly yield/staking mechanism offering a competitive 60% APY annual yield. This yield will be funded from a dedicated wallet holding 50% of the total supply, showcasing our commitment to rewarding long-term holders. This initiative is a testament to our unwavering support and investment in the Trump Coin ecosystem. (Continued on next page)

# ROADMAP

By providing consistent monthly rewards, this yield mechanism incentivizes continued investment and active participation in the Trump Coin ecosystem, thereby nurturing a sense of long-term commitment among community members and contributing to the prosperity and growth of our community over time.

The monthly yield reward will be distributed on the 30th of each month.

## 5. **US Presidential Election (November 2024)**

The date of the 2024 presidential election is not just a milestone; it's the focal point of Trump Coin's mission to actively contribute to the legacy of Donald J. Trump. Through a strategic combination of airdrop events, community challenges, the implementation of a yield mechanism, and a global awareness campaign, Trump Coin underscores its commitment to being a community-driven force dedicated to supporting Trump and his enduring principles. Join us as we actively participate in shaping the future in alignment with the values championed by President Trump.

## 6. **Media Outreach to Donald J Trump (February 2025)**

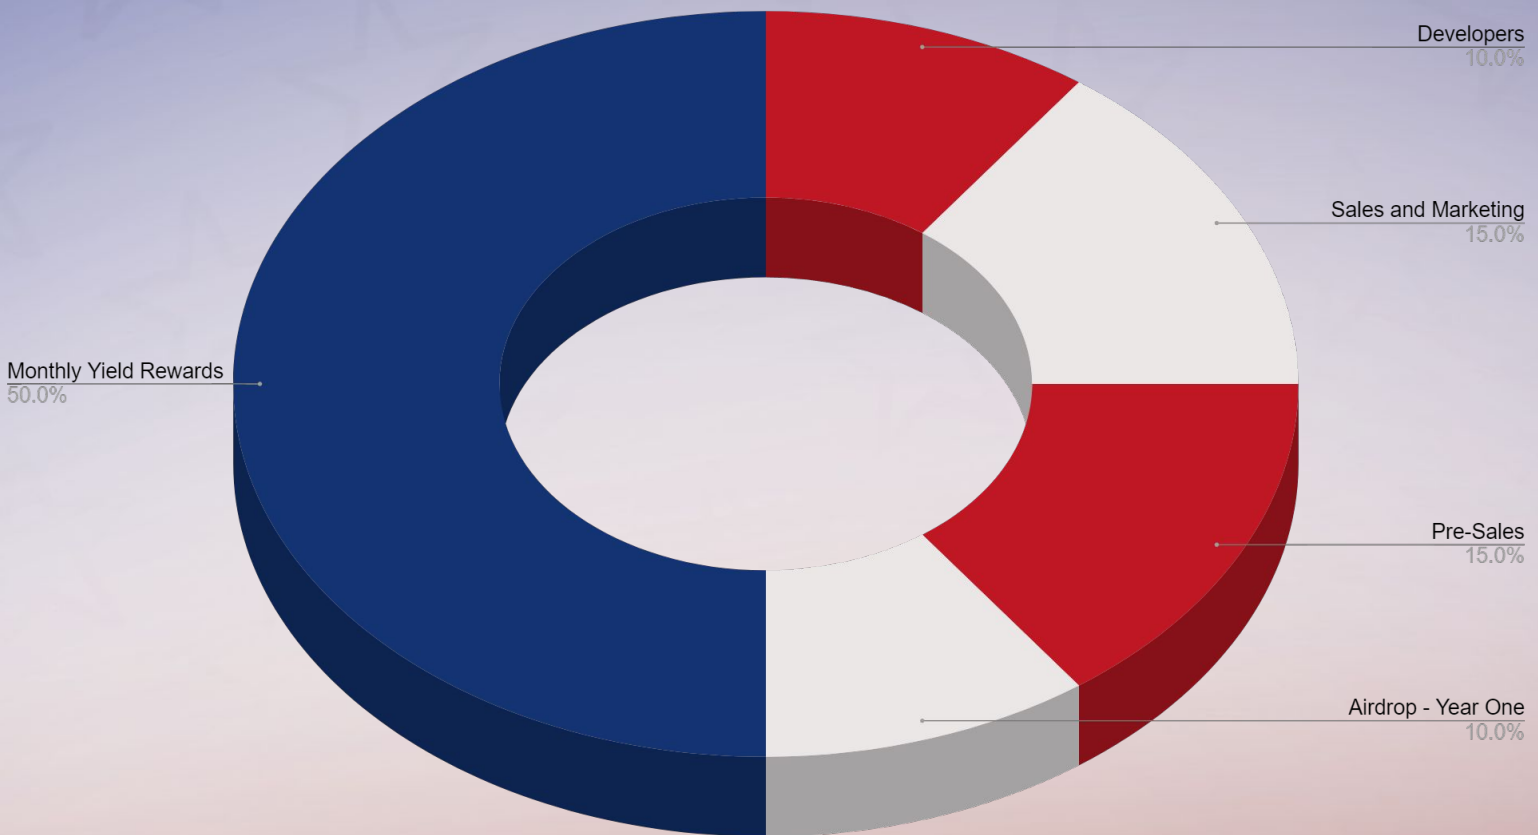

The 28th of February 2025 is an enormous milestone for the Trump Coin community. On this date, the community will collectively reach out to President Trump on all social media channels. This outreach campaign is designed to signal to the President that the entire community is deeply supporting his leadership and values. We will be seeking Trump's support in achieving our objective of making crypto great again!

# TOKENOMICS

Trump Coin boasts a total supply of 45 billion tokens, a deliberate choice that symbolizes Donald J. Trump's tenure as the 45th president of the United States. This selection underscores the project's dedication to transparency, community engagement, and unwavering support for Trump's vision. The tokenomic allocation of Trump Coin is intricately crafted to uphold these principles, fostering ongoing development, widespread adoption, and rewarding participation within its dynamic ecosystem.

# FAQ'S

## **How to buy Trump Coin?**

You can purchase \$TRUMP in various ways including by downloading the XAMAN Wallet (from the Apple Store or Google Play Store), purchasing XRP, sending it to your XRPL address, adding the Trump Trustline, and swapping using the in-app DEX feature. In the future we are aiming to list #TRUMP on a Centralised Exchange to facilitate growth of the Trump Coin ecosystem.

## **What is the supply of Trump Coin and is it fixed?**

As Donald J Trump is the 45th President of the United States, the supply of Trump Coin is 45 Billion. During the token issuance stage, the issuing wallet was blackholed. As such no new tokens can be issued and therefore the supply is fixed at 45 Billion.

## **Is the #Trump Coin affiliated with the 2024 Donald Trump election campaign?**

Whilst we are huge supporters of Trump, unfortunately the project has no current affiliation with him or his election campaign. In the future we plan to personally reach out to Donald Trump and seek his support in achieving our objective of making crypto great again!

## **Why is Trump Coin built and issued on the XRPL blockchain?**

XRPL's combination of high throughput, low latency, scalability, and developer-friendly features positions it as a competitive option for building decentralized applications and supporting a wide range of use cases.

# FAQ'S

## **Will there be a Trump Coin airdrop?**

Yes we will be rolling out five airdrops over a 12 month period. As detailed in the White Paper, holders of XRP will be eligible to receive a FREE airdrop by completing quick and basic tasks on Zealy (takes 2mins, access via our LinkTree).

## **How many tokens will be airdropped?**

4,500,000,000 over five airdrops. The fifth airdrop is a staggering 81 times larger than the first, highlighting the significant increase in token distribution and underlining our commitment to rewarding community members.

## **When is the first airdrop?**

4-5 months after launch. Subsequent airdrops will be scheduled immediately before and after the US Presidential Election.

## **How many TRUMP tokens will I receive?**

This depends on the number of users signing up to the airdrop and satisfying all eligibility requirements. We will provide an update closer to the date.
